Green PVC

Application: General Purpose

Tube: Green PVC

Packaging: Pre-cut 20’ assemblies or bulk

Sizes: 2”, 3”, 4”, 6”, 8”

Camlocks

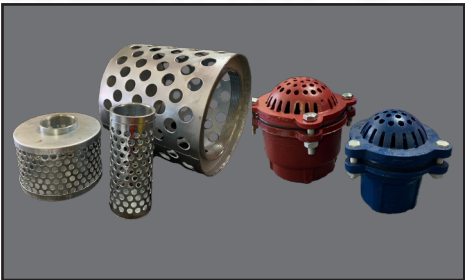

- * Aluminum, Brass, Stainless Steel, Cast, Poly
- * All sizes, adapters, angles
- * Clamped or crimped

KC Nipples

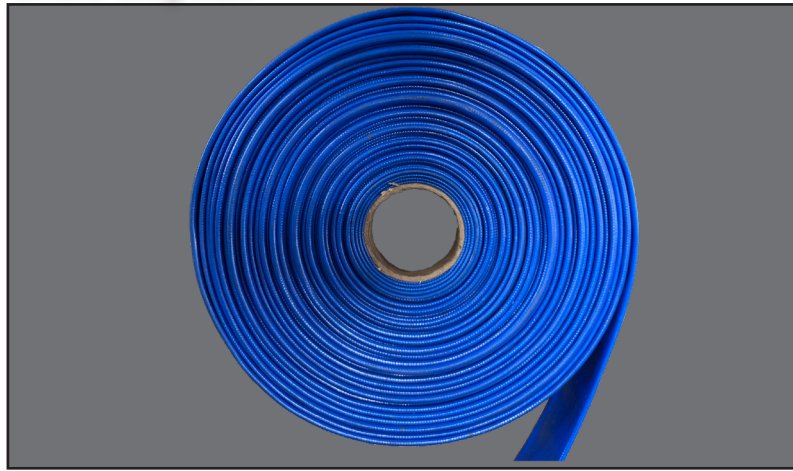

- * Steel, Plated, SS, Poly
- * All sizes, All types

Strainers / Foot Valves

- * Round hole, round hole long
- * 2”, 3”, 4”, 6”, 8”

Blue Layflat

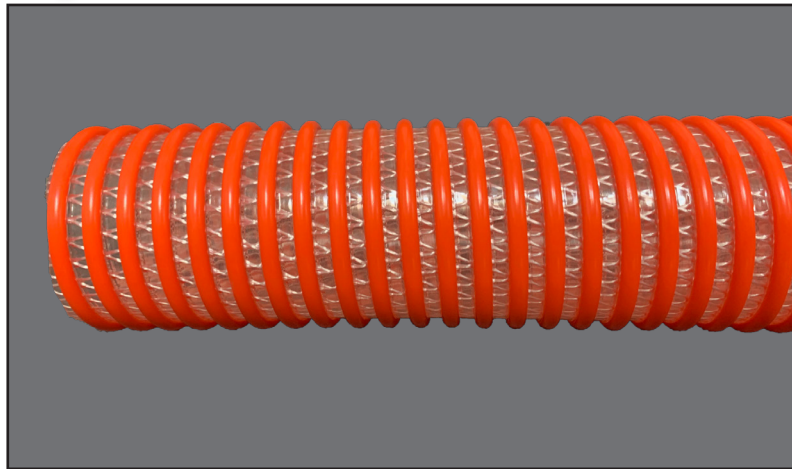

Application: light duty, general purpose agricultural, irrigation and construction

Tube: Blue PVC

Packaging: Pre-cut 50’ Assemblies or bulk, custom lengths

Sizes: 2”, 3”, 4”
(other sizes available upon request)

Aqualiner

Application: Heavy duty suction & discharge applications

Tube: PVC with polyester yarn braid helix

Packaging: 20’ assemblies or bulk

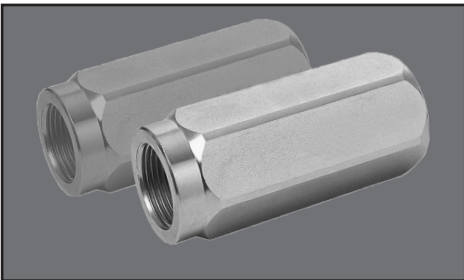

Sizes: 2”, 3”, 4”, 6”, 8”

Brass Ball Valves

- * Low & High Pressure 600 & 2000 PSI
- * Sizes: 1/4” - 4”

Check Valves

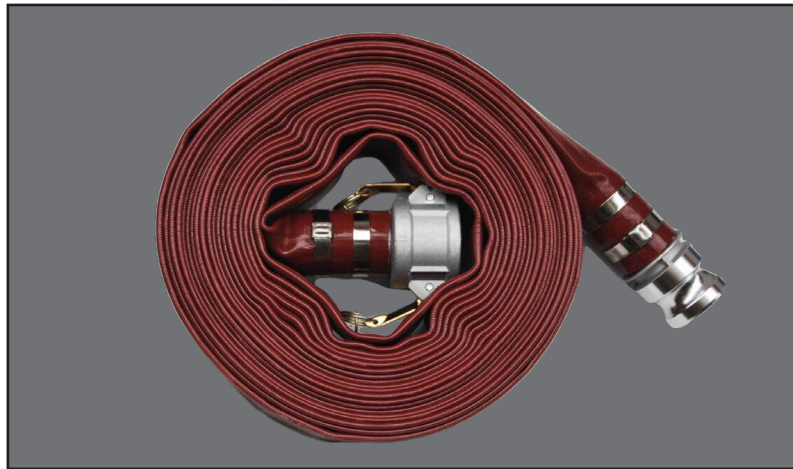

- * Carbon Steel / SS316
- * Sizes: 1/4” - 2”

Clamps

- * Sprial, push-lok, double bolt, t-style
- * All sizes

Brick Red Layflat

Application: Medium duty, general purpose agricultural, irrigation, construction

Tube: Brick Red PVC

Packaging: Pre-cut 50’ assemblies, or bulk, custom lengths

Sizes: 2”,3”,4”,6”
(other sizes available upon request)

Water Suction Discharge (WSD)

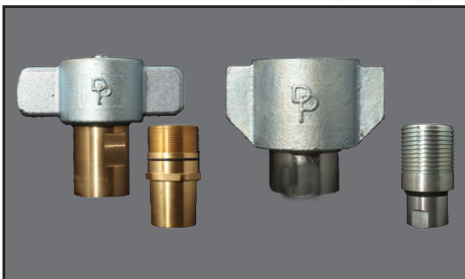

Application: Heavy duty suction & discharge

Tube: SBR/EPDM blend

Packaging: Pre-cut 20’ assemblies or bulk

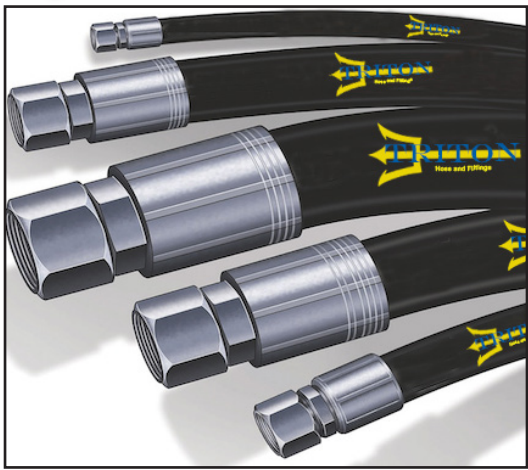

Sizes: 2”, 3”, 4”, 6”, 8”

VFF Series Couplings

- * Medium & High Pressure Wing Style
- * Sizes: 3/4” - 2”

Hydraulic Hose

Application: Petroleum based hydraulic fluid, gasoline, water, diesel fluids, lubricating oils, glycol, mineral oils, and more

Series: 1SC, 100R2AT, 100R13,10015, 10016, 100R17, Jackhose, 2SN, 4SP, 4SH, Oilfield Workover, Waterblast, Grease Injection

Black Layflat

Application: Heavy duty, agricultural, irrigation, construction, de-watering, sewage discharge lines

Tube: Blend of synthetic elastomers, oil resistant

Packaging: Pre-cut 50’ assemblies, bulk, custom lengths

Sizes: 3”,4”,6”
(other sizes available upon request)
