

The trucking industry is widely competitive and there are many options when considering the logistics. When oversized loads must be transported you may consider heavy hauling. But there is only one option to consider when outfitting the trucks and trailers you need for heavy haul. DNP Americas offers a variety of products to consider in order to escort you and your load back to the asphalt.

# Heavy Haul Market Edition

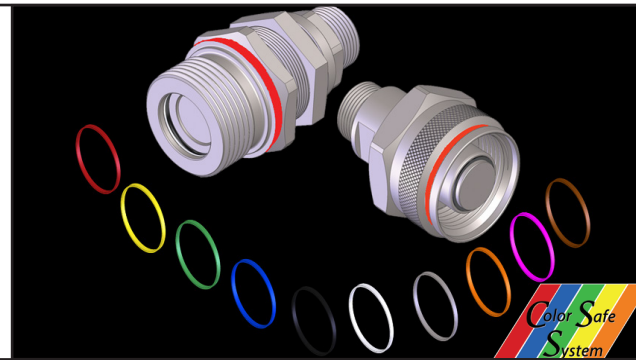

DNP Americas  
860 FM 517  
Alvin, TX 77511  
Office: 281-388-0253

## PRH3/G Series

- Interchange with DNP PRH3 series couplings
- Screw type
- High working pressure up to 6,092 PSI
- Compact Design
- Caps and plugs available in plastic or aluminum
- Color Safe System

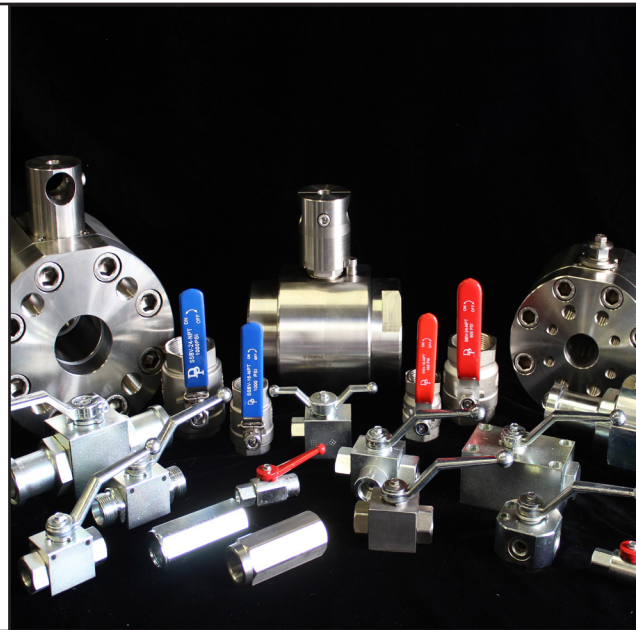

## PVW3 Series

- Screw to connect - connect under pressure
- Ideal for systems with high impulses and systems experiencing trapped pressure in hydraulic lines
- Available Threads: BSP, Metric, German Din
- Sizes: 1/4" - 1-1/4"

## Ball Valve Series

- Carbon Steel construction with Silver Trivalent Plating
- Low and High Pressure Series
- 2-Way and 3-Way options
- Majority with 316 Steel option
- Low pressure brass available
- Round and Block Styles
- Hydraulic pressures up to 10,000 PSI
- Available Threads: BSP, Metric, German Din
- Sizes ranging from 1/4" - 5"
- Accessories available upon request

## Pressure Gauge Series

- All pressure ranges, all size dials
- Panel mount, bottom mount
- Gauges can be private labeled (minimum amount required)

## Steel Tubing

- Metric steel tubing available in any size
- Carbon steel or stainless steel options

## Metric Hose Fittings

- German Din hose fittings and adapters
- BSPP, Metric and Imperial available

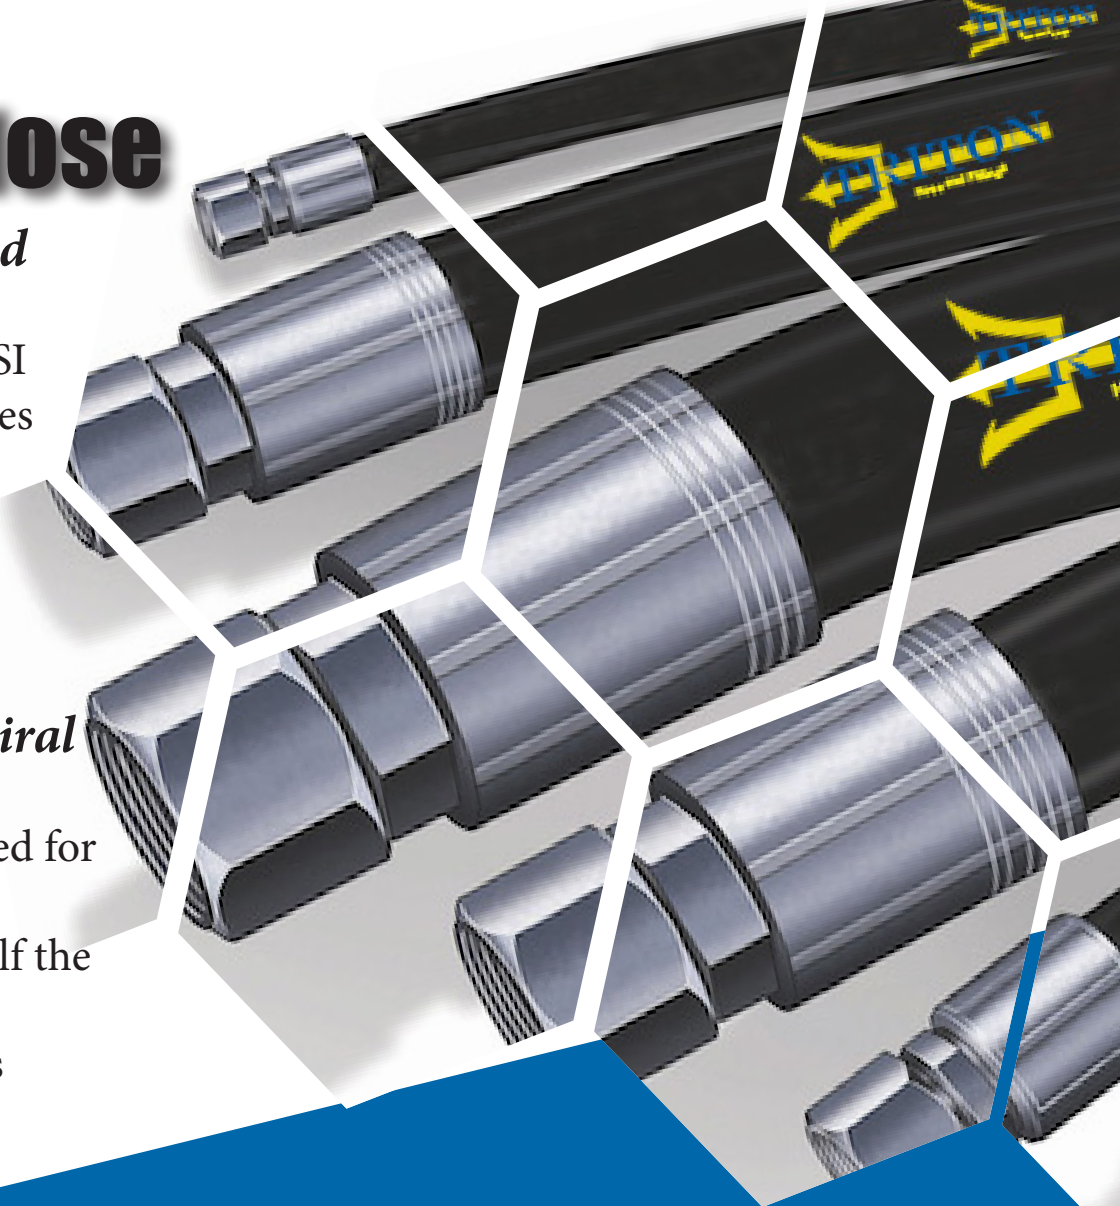

## Freedom Hose

### 2MT, 2-Wire Braided

- Sizes: 1/4" - 1-1/4"
- Pressure up to 6,000 PSI
- 1,000,000 impulse cycles
- Compact Design
- MSHA Certified
- Half Bend Radius

### 5000/6000, 4 & 6 Spiral

- Sizes: 1/2" - 2"
- 6,000 PSI Isobaric (rated for all sizes)
- Half Bend Radius / Half the force to bend
- 500,000 Impulse cycles
- Compact Design

## Micro Bore Hose

Micro test hoses with fittings and gauges

## Suction Hose

- All types of rubber or PVC style suction hoses
- Discharge hose, layflat hose
